Art Unit: 3751

The following is an examiner's statement of reasons for allowance: applicant in his most recent response, fails to point out how claim 17 defines over the art and merely states that it has been amended "to better define the subject matter". In no way is this the case. Claim 17 is stripped of limitations that are present in claim 18; however, it is believed to define over the art in that the added substance is not taught by the art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance." Any inquiry concerning this communication should be directed to Charles E. Phillips at telephone number 571-272-4893.
